Sewer Lines ($350 minimum charge)		LF	$0.65	$0.00
			TOTAL	$ 0.00
B. Pump Stations/Well Sites/Storage Tanks				
Per Station[2]		Each	$1,500.00	$0.00
Mechanical, Structural, or Electrical Drawings		Sheet	$150.00	$0.00
			TOTAL	$ 0.00
C. Easement Plat[3]				
Base Plan Fee		Each	$150.00	$0.00
Per Sheet Review Fee		Sheet	$75.00	$0.00
Fee per Dedication, Vacation, or Revision to FCWSA Utility Easements		LF @ CL	$0.25	$0.00
			TOTAL	$ 0.00
	TOTAL REVIEW FEE DUE			$ 0.00

NOTES:

1) All submissions will be based on total length of pipe until the plan has been approved. Once the plan has been approved, if a revision to an approved plan is submitted the fees are based on the revised lengths of pipe.

2) Applies to stations to be owned and maintained by FCWSA only. The review fees in Part A, as detailed above, will be assessed for the review of the collection, conveyance, and distribution system portions of the public water and/or wastewater systems.

3) All Easement Plats shall include the following fees: base plan fee, fee per sheet included in the plat, and fee per dedication, vacation, or revision to FCWSA Utility Easements measured in linear feet along the easement centerline.
